## KENTUCKY'S INFAMY.

In a brief submitted to the Court of Appeals, State Senator CHARLES J. BROWDER of Lexington, the well known Democratic leader, says of the principles and objects of the Goebel Election Law:

"The measure viewed from a purely political standpoint, is cowardly, corrupt and dishonest.

"Cowardly, in that it forces a great party, which has attained complete local success by persistent adherence to fixed principles of exact equity, of the citizen, free and equal elections and local self-government, to abandon such principles and ask to be advanced to the use of powers so concentrated and arbitrary as to offend all sense of fair dealing.

"Corrupt, in that it creates a political machine and makes it possible for a free people to be governed by a boss whose greed for official power will supplant all interest, however dear, of the individual citizen.

"Dishonest, in that, under the plausible pretense of preventing fraud, it opens so wide the avenue for unscrupulous fraud as to become repulsive to the traditions of the party whose fair name the promoters of this measure seek to degrade.

The intelligent and courageous manhood of this state will never submit without protest to the use of such arbitrary and arbitrary power, and the political party which assumes the burden will surely be crushed under its self-destructive weight.

"May I beg to state to this honorable Court that the only hope of the citizen of this commonwealth for relief from such radical invasion of constitutional rights lies in this Court. Parties and political majorities, when once clothed with such power, will never surrender it. If this act is judicially approved by the highest Court it will never be repealed, and only amended to increase the powers therein conferred. The majority now will effectively use it, and if perchance the opposing minority should succeed to power, they, too, will keep and use it."

A NUMBER of men, armed with carts, hoes and shovels, were busy a few days ago looking for a load of hay that had been lost on Second street.

THE LEDGER has't heard of a single property-owner in Maysville who isn't in favor of streets. Gentlemen, if you will only unitedly set about it you can have them before another Christmas rolls around. Suppose you try it?

DEMOCRATIC leaders in Iowa at a conference in Des Moines agreed that in their next state platform stress should not be laid on the 16 to 1 ratio for silver. Will try to fool the people with some other foolish fad, maybe,—anti Expansion, for instance.

This year, for the first time in history, the United States exported a greater value of home productions than Great Britain, heretofore the world's largest exporting Nation. The growth is amazing.—Owensville Outlook.

Yes; and just to think that Uncle Sam went and done and did all this under a Republican Protective Tariff, when you dad blasted Free-trade Democratic prophets all said that the passage of the Dingley Bill would prevent the sale of American goods in foreign markets.

A SPECIAL from Washington says all danger of further friction between the United States and Great Britain over the construction of the Nicaragua Canal will shortly be removed by the abrogation of the Clayton-Bulwer Treaty. Sir JULIAN PAUNCEFOTE, the British Ambassador, has received, or will receive within the next few days, positive instructions to enter upon the negotiations with Secretary HAY for the abrogation of the convention referred to and the preparation of a new treaty guaranteeing the neutrality of the Canal. Of course Sir JULIAN and Secretary HAY have secured permission from WILLIAM JENNINGS CLEVELAND, STEPHEN GROVER BRYAN, CARL UNDER SHURTZ and company to proceed with these matters.

Support no man for Councilman who will not bind himself to vote for asphalt streets for Maysville.

Hobson came dangerously near getting a pounding at the hands of a Kansas City man whose wife he had kissed during his recent osculatory symposium in that place.

Fourteen Remarkable Old Ladies.

An attractive feature of the January Ladies' Home Journal is the collection of photographs of "Some Remarkable Old Ladies" artistically grouped on a single page. Of the fourteen old ladies, all are above fourscore, and five are centenarians. The photograph of each one reflects the beauty of a happy life of well-doing—a beauty that time cannot obliterate.

A Sure Cure For Croup—Twenty-Five Years' Constant Use With-

out a Failure.

The first indication of croup is hoarseness, and in a child subject to that disease it may be taken as a sure sign of the approach of an attack. Following this hoarseness is a peculiar roughness. If Chamberlain's Cough Remedy is given as soon as the child becomes hoarse, or even after the croupy cough appears, it will prevent the attack. It is used in many thousands of homes in this broad land and never disappoints the anxious mothers. We have yet to learn of a single instance in which it has not proved effectual. No other preparation can show such a record—twenty-five years' constant use without a failure. For sale by J. James Wood & Son, Druggists.

## WINE OF CARDUI

FOR ALL WOMEN

NINE-TENTHS of all the pain and sickness from which women suffer is caused by weakness or derangement in the organs of menstruation.

Nearly always when a woman is not well these organs are affected. But when they are strong and healthy a woman is very seldom sick.

Is nature's provision for the regulation of the menstrual function. It cures all "female troubles." It is equally effective for the girl in her teens, the young wife with domestic and maternal cares, and the woman approaching the period known as the "Change of Life."

They all need it. They are all benefitted by it.

For advice in cases requiring special directions, address, giving symptoms, the "Ladies' Advisory Department," The Chattanooga Medicine Co., Chattanooga, Tenn.

THOS. J. COOPER, Tupelo, Miss., says:

"My sister suffered from very irregular and painful menstruation and doctors could not relieve her. Wine of Cardui entirely cured her and also helped my mother through the Change of Life."
